THE JUDGE OF HANOVER COUNTY SPEAKS.
Tim Howard suffered for three years with lung and throat troubles, and last spring was thought by his neighbors to be dying. I heard of his condition and gave him A. B. C. Tonic. Its effect was magical. In a very short time he was able to leave his bed, and now regards himself a well man. Others in this vicinity have taken the "Tonic" with pronounced benefit.

Letter from Rappahannock

[Correspondence of the Alexandria Gazette.]

WOODVILLE, Rappahannock County, Va.,

April 14.—A serious affair of poisoning oc-

curred at the house of Mr. Pierce, who lives

some nine miles south of our county seat,

near Oak Shade. A colored boy of ten years

had lately been employed by the family,

and a few days ago one of the female mem-

bers purchased a small box of arsenic to de-

stroy the rats about the place, and this she

was seen by the boy to place in the closet.

Shortly afterwards he secured the key to

this closet, abstracted the poison and sprink-

led part of it in a duster of flour. The en-

tire family ate of the bread, the boy with the

res, and all were made seriously sick.

Prompt measures and the presence of physi-

cians prevented fatal results, but the entire

family, of some seven persons, were alarm-

ingly ill. The large quantities of arsenic

taken aided the remedies and it is thought

all will recover. The boy seems to have

acted with no criminal design, not knowing

the character of the act, and those who

know him seem to think he was prompted

more by a spirit of mischievous curiosity

than from any design to injure, and this is

supported by the fact that he ate of the

bread and was affected as badly as the others.

We regret to announce the death of Mrs.

Popham, wife of the late Capt. Thos. G. Popham,

of State Mills. She survived her hus-

band only two months. She was a Miss

Mallory from Hanover C. H. Four young

children are left orphans.

We hardly know what are Rappahan-

nock's chances for the railroad. A general

meeting from all the mountain counties in-

terested will be held at Warrenton on the

17th inst., when measures will be discussed.

One proposition is to tax this county with

MEDICINAL.

Wake Up.

If you wake up in the morning with a bitter or bad taste in your mouth, Languor, Dull Headache, Despondency, Constipation, take Simmons Liver Regulator. It corrects the bilious stomach, sweetens the breath and cleanses the furred tongue. Children as well as adults sometimes eat something that does not digest well, producing Sour Stomach, Heartburn, Restlessness, or Sleeplessness—a good dose of Regulator will give relief. So perfectly harmless is this remedy that it can be taken by the youngest infant or the most delicate person without injury, no matter what the condition of the system may be. It can do no harm if it does no good, but its reputation for 40 years proves it never fails in doing good.

COMMISSIONERS' SALE OF LARGE AND VALUABLE TRACTS OF LAND AND FISHERIES ON THE POTOMAC RIVER.

THE OTTERBACK ESTATE.

By virtue of a decree of the Circuit Court of Fairfax county, Virginia, made November 26th, 1889, in the suit of Otterback vs. Behrer, the undersigned, commissioners of said estate herein named, at 12 o'clock

THURSDAY, MAY 15th, 1890,

will offer for sale at public auction, in front of the Market House of Alexandria city a part of the real estate of which the late Philip Otterback died seized, consisting of

1st. The TRACT OF LAND called "OPOSSUM NOSE," containing 1,034 acres, more or less, lying in Prince William county, and fronting about one mile and a half on the Potomac river and one mile on Quantico creek. Some 400 acres of this tract is cleared and in cultivation, and on that portion is a GOOD DWELLING HOUSE and all the necessary outbuildings. The residue is well timbered, there being a great quantity of hard and pine wood. The soil is excellent and easily improved.

2d. The TRACT OF LAND called "HIGH POINT," containing 1,700 acres, more or less, lying in Fairfax county, fronting over a mile on the Potomac and a considerable distance on Occoquan bay. About 1,600 acres of this tract is fine up-land, and all of it, except 260 or 400 acres, is very heavy timber, both pine and hard wood. In this section of the State there is not a better timber tract or one more conveniently placed for shipping to good markets, like lumber and cord wood. The clearing is in cultivation and has a large and comfortable DWELLING HOUSE and substantial outbuildings. The "HIGH POINT" is a GOOD FISHING AND SHOOTING place, one of the oldest, best known and most profitable on the river.

Terms of Sale: One-fourth cash, and the residue in three (3) equal annual payments, evidenced by interest-bearing notes, secured by deed of trust on the property sold; expense of conveying to be borne by the purchaser. The commissioners are authorized by the decree to receive private bids and report the same to the Court for its action. For further information apply to the undersigned at the addresses indicated below.
